

UNLOCK PEAK PERFORMANCE WITH OTTIMA PLUS

PERFORMANCE THAT ENDURES

Massimo Ottima Plus tyres offer a driving experience that goes beyond the ordinary. Whether you're hitting the open road or conquering the track, these tyres are your ticket to a high-performance journey that lasts. Upgrade to excellence today and embrace the thrill of precision, speed, and endurance like never before.

PRODUCT FEATURES

The sleek, asymmetric tread design and shoulder pattern provides outstanding handling and safety

The four ample grooves within this asymmetric tread design enhance exceptional performance and steering stability, ensuring superior drainage on the wettest roads

The large centre ribs with fine grooves enhance the tyre's rigidity, optimising straight-line and high-speed driving

Tyre noise has been significantly reduced thanks to intensive computer analysis focusing on pitch design and optimisation
